

Notes

Monitor Window

If your device can connect to multiple monitor devices, the window for the configured monitor device opens after you tap the **Monitors** toolbar button.

If your device only connects to a LIFEPAK, you are taken directly to the setup screen.

LIFEPAK Device Setup

If your device does not immediately appear in the list of available devices, you may need to run the search again.

Pair TripTix with the LIFEPAK Device

1. Log in to TripTix Mobile.
2. Tap the **Monitors** toolbar button.

3. If prompted, select **Physio LIFEPAK Monitor** from the window that opens.
4. Start the LIFEPAK device by pressing the **Options: Events** and **On** buttons at the same time.
5. On the LIFEPAK, enter the passcode and select the **Transmission** menu option.
6. Click **Data** then select **Wireless** from the menu.
7. Click **Device Setup**. This action displays all nearby Bluetooth® devices.
8. Select the **TripTix Mobile** device from the list, then click **Add**.
9. Enter the PIN, then verify that TripTix Mobile is shown as a trusted device on the LIFEPAK.

TIPS

- ✓ The passcode and PIN are usually 0000.
- ✓ You can find the Bluetooth ID of your TripTix device located on barcode sticker on the back. As a rule, it appears in a 10-character alphanumeric format.

Notes

Before importing a case, you can tap **Preview** to see a preview of the case.

You can only attach one case to the run record. If you import a new case, it will overwrite the existing information.

Transmit Data from the LIFEPAK Device

1. In TripTix Mobile, create a new run or open the desired run to import data into.
2. Tap the **Monitors** toolbar button.
3. Initiate the case data transfer from the LIFEPAK device.
4. In TripTix, tap the **Refresh** button to show the uploaded cases.
5. Select a case from the list and tap **Import**.
6. Select items from each tab to import them.
7. Tap **Import Selected Items**.
8. When the data is finished importing, go to the **Monitors** page in TripTix Mobile.
9. Manage the case information on this page by sending a fax, deleting pages or events, and viewing the **Draft** report.

TIPS

- ✓ The **Monitors** page displays a **Fax Page** and **Delete Page** button on the lower right corner of the page.
- ✓ Navigate between images by selecting the numbered tabs at the bottom.
