Facilities Improvement

Facilities has been moved to an easier to use location for editing department known locations. Department Administrators can easily update facilities by navigating to [Administration > Pick Lists > Department Facilities](#)

The screenshot shows the TripTix Administration interface. At the top, there is a navigation bar with the R1 logo and 'HUB TECHNOLOGIES | TRIP TIX COX'. Below this is a menu with options: Home, Run Records, Records Exchange, Requests, Reports, Notifications, and Administration (which is highlighted). A secondary menu below Administration includes: Departments, Users, Groups, Permissions, Pick Lists, System Settings, Device Management, Narrative Templates, Business Rules, QA, CQI, and Clinical Settings.

The main content area is titled 'Department Facilities'. Below the title is a '+ Add Facility' button. A table below shows a list of facilities with 305 entries. The table has columns for Name, Code, Availability, Destination, Pickup, and Type.

Name ^	Code	Availability	Destination	Pickup	Type
Advanced Respiratory (NCharleston)		Pickup Only	Hospital-Emergency Department	Wilderness Area - Desert	Trade or Service
Aiken Region Medical Center		Both Pickup and Destination	Hospital-Emergency Department	Hospital	Health Care Fac

Bug Fixes

Various bug fixes and minor enhancements were included in this release.
